CONDITION OF PERMIT

All live freshwater fish taken from hatcheries, aquaculture operations or private ponds within the state and all live freshwater fish imported from outside the state shall, while being transported, held in storage or offered for sale, be identified with the name and address of the original source in the following manner:

Each package, bag, box or container of fish shall be marked in such a manner as to identify the source.

All fish shall bear identification as described above from the time they leave the original source until they reach their ultimate destination.

All live freshwater fish taken from hatcheries, aquaculture operations or private ponds within the state or imported from outside the state shall, while in transit, be accompanied by an invoice or other documentation describing the species involved, the number of fish involved and the destination of the fish.

All live freshwater fish which are to be introduced into either public or private waters of the State shall, while in transit, be accompanied by this permit.
